SUBMISSION OF SUPPLEMENTAL DECLARATION

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

On September 24, 2010, applicants filed an original declaration under 37 C.F.R. §1.132. The enclosed declaration is supplemental to the declaration filed on September 24, 2010. The enclosed supplemental declaration corrects inadvertent errors regarding the greater than or equal to and the less than or equal to symbols, "≥" and "≤," respectively, being reversed in the original declaration. Applicants specifically informed the Examiner of these inadvertent errors on page 17 of an Amendment filed on September 24, 2010, concurrently with the original declaration.

Since the enclosed supplemental declaration simply incorporates the corrections previously described to the Examiner, it is believed the supplemental declaration is fully appropriate for entry at this after allowance stage of prosecution.

Respectfully submitted,

STAAS & HALSEY LLP
